### همکاران ارجمند و اساتید گرامی

فرارسیدن ماه مبارک رمضان را خدمت شما عزیزان تبریک گفته و آرزوی قبولی طاعات و عبادات شما را دارم. هم چنین مفتخرم به اطلاع همکاران برسانم که با تلاش همه‌ی اعضای هیأت تحریریه و اجرایی، فصلنامه‌ی پوست و زیبایی جهت نمایه‌شدن در نمایه‌نامه‌ی معتبر ProQuest نیز پذیرفته شد.

اتفاق مهمی که در بهار ۱۳۹۷ برای جامعه‌ی درماتولوژی افتاد، برگزاری موفق و باشکوه کنگره‌ی Spring Continental Congress of Dermatology در ۷-۵ اردیبهشت ۱۳۹۷ در محل همایش‌های بین‌المللی صدا و سیما بود. این کنگره توسط مرکز ما و با همکاری چندین سازمان بین‌المللی شامل European Society of Laser and Dermatologic & Aesthetic Surgery International League (DASIL)، World Health Academy، International Society of Teledermatology (IST)، Light Based Devices (ESLD)، (WHA)، Skin Inflammation and Psoriasis International Network (SPIN) و نیز انجمن متخصصین پوست ایران و شرکت دانش‌بنیان ژانوس با کسب امتیاز بین‌المللی از وزارت بهداشت برگزار گردید. این کنگره ابتدا قرار بود به‌عنوان کنگره ISD برگزار گردد که به‌علت تحریم‌های آمریکا این انجمن از همکاری در اجرای آن انصراف داد. با این وجود رییس این انجمن به همراه ۳ نایب‌رییس و ۷ عضو هیأت‌مدیره در کنگره شرکت کردند.

در سه روز برگزاری کنگره در ۴ سالن به‌صورت هم‌زمان بیش از ۲۰۰ سخنرانی توسط ۹۲ سخنران از ۳۰ کشور دنیا و نیز ۵۰ سخنران از ایران ارائه گردید و آخرین یافته‌ها و دستاوردهای علمی در زمینه‌های مختلف درماتولوژی با بیش از ۷۵۰ شرکت‌کننده در کنگره مورد بحث قرار گرفت. هم‌چنین ۴ کارگاه زیر در روز قبل از کنگره با استقبال فراوان همکاران برگزار گردید که جا دارد از تلاش‌های خانم‌ها دکتر دانش‌پژوه و دکتر آیت‌اللهی و آقایان دکتر کامیاب و محمودی که هماهنگی‌های آن‌ها را به‌عهده داشتند کمال تشکر را ابراز دارم:

- 1) Lasers (European Society for Lasers and Light Based Devices)
- 2) Scar revision (Dermatologic & Aesthetic Surgery International League)
- 3) Dermoscopy (International Society of Teledermatology)
- 4) Dermatopathology

۱۱ کارگاه نیز طی ۳ روز کنگره توسط اسپانسرهای مختلف برگزار گردید.

مراسم افتتاحیه‌ی کنگره‌ی قاره‌ای پوست در روز چهارشنبه ۵ اردیبهشت ساعت ۱۸:۳۰ الی ۲۱ در محل سالن همایش‌های بین‌المللی صدا و سیما برگزار شد. در این مراسم پس از پخش سرود جمهوری اسلامی ایران و تلاوت آیاتی چند از قرآن مجید، خوشامدگویی رییس کنگره آقای دکتر یحیی دولتی و ارائه‌ی گزارش کوتاهی از روند برگزاری آن توسط این جانب، رییس انجمن بین‌المللی پوست آقای پرفسور جرج رایزنر مطالبی در زمینه‌ی همکاری این انجمن با

جامعه‌ی درماتولوژی ایران در گذشته و آینده ارائه کرد. سپس با حضور آقای دکتر محمدباقر لاریجانی معاون محترم آموزشی وزارت بهداشت به نمایندگی از آقای دکتر حسن هاشمی وزیر محترم بهداشت، از تمبر یادبود ۲۵ سال فعالیت آموزشی و پژوهشی مرکز پوست و جدام رونمایی شد و جایزه‌ی علمی کنگره به ۹ نفر از متخصصین پوست جوان از کشورهای آمریکا، هند، ازبکستان و تونس که مقالاتشان از سوی کمیته‌ی علمی برگزیده شده بود، اهدا گردید. در انتها آقای دکتر لاریجانی گزارشی از وضعیت آموزش پزشکی در ایران ارائه نمود و مراسم با اجرای موسیقی فولکلور مناطق مختلف ایران توسط گروه رستاک خاتمه یافت که به شدت مورد توجه حضار به‌ویژه مهمانان خارجی قرار گرفت. هم‌چنین مهمانان خارجی کنگره در روز پنج‌شنبه ۶ اردیبهشت از مرکز آموزش و پژوهش بیماری‌های پوست و جدام بازدید کردند و از نزدیک با پیشرفت‌ها و امکانات مرکز آشنا شدند که زمینه را برای انجام فعالیت‌های مشترک آموزشی و پژوهشی در آینده فراهم خواهد کرد.

برگزاری این کنگره در سطح بسیار عالی از نظر کیفیت علمی و مدیریت اجرایی مورد توجه شرکت‌کنندگان خارجی قرار گرفت که نمونه‌ای از پیام‌های تشکر آن‌ها ارائه می‌گردد.

در انتها از همه‌ی کسانی که در برگزاری باشکوه این کنگره تلاش کردند به‌ویژه ریاست محترم کنگره استاد گرامی جناب آقای دکتر دولتی و دبیر محترم اجرایی کنگره جناب آقای دکتر نصیری کاشانی، اعضای کمیته‌های علمی و اجرایی و شرکت‌های پشتیبان کنگره به‌ویژه حامی‌های دیاموند (شرکت‌های ژانوس و پوبر) که بدون همکاری صمیمانه آن‌ها امکان برگزاری باشکوه آن وجود نداشت، تشکر می‌کنم و همگی را برای شرکت در کنگره‌های بعدی مرکز یعنی **نهمین سمینار درماتولوژی مبتنی بر شواهد در ۲۴-۲۲ آبان ۱۳۹۸ و ششمین کنگره‌ی بین‌المللی در ۹-۷ آبان ۱۳۹۹ دعوت می‌نمایم.**

Thank you very much for your kind invitation to the Spring Continental Congress of Dermatology. It was a great success with a high scientific level. In particular, I want to thank you for all your efforts to get me into your country and to make my stay so interesting and enjoyable. Iran is a wonderful country, and this should be acknowledged also by the big adversary on the other side of the Atlantic. I sincerely hope that the situation will not become tenser and that the hardship for your people will at least be alleviated a bit.

My trips to Isfahan and Shiraz were great: to be honest there are no words to describe all the beauty I had the opportunity to see.

**Eckart Haneke, MD, PhD, Visiting professor Depts Dermatol Bern Switzerland and Gent, Belgium**

I have returned home with the most wonderful memories of Iran. Regarding the congress, I thought that it was of an exceptionally high standard and I felt privileged to participate in it. The audience participation was amazing and the arrangements were superb. We have also forged many long term relationships with other guests and faculty members and it was great to interact with these bright minds. I have certainly returned home enriched from the experience. After the congress, I went by road to Qazvin, Zanjan, and Tabriz, then by air to Mashhad. For me, Mashhad was an absolute highlight. I could not get over the immaculate and detailed architecture of the shrine of Emam Reza.

**Noufal Raboobe, MBChB (Natal), FFDerm (SA), Dermatologist, President Vitiligo Society of South Africa, Excecutive committee member of the Dermatological Society of South Africa**

**Aldo Morrone, MD, Director of the Department of Clinical Dermatology, Istituto San Gallicano-IRCCS, Rome, Italy**

I was already aware of the excellency of your school of dermatology, and the highest qualities of your rising research center of dermatology, the little trouble I went in yesterday provided me to appreciate an additional aspect of all this meaning the strong organization that you created behind all this, ... mentioning the fact that your name Dr Dowlati acted as a can opener upon every obstacle, as I mentioned it would have taken a week for me to do all these things.

**Philippe Bahadoran , MD, PhD, Consultant in Dermatology, Chairman of Histology, Nice , France**

It was a real pleasure to see you during the derm meeting. Congratulations on organizing such a superb program.

**Reza Ghohestani, MD, USA**

**Agnes Otto, MD, PhD, Dermatologist at the National Institute of Oncology, Budapest Consultant at the Downtown Medical Centre Budapest, Locum Consultant Dermatologist, HUNGARY**

Thank you for the photograph and the hospitality. Going by the first day of the congress (I had gone for the Tehran tour on the second day and had a noon flight the third day), the breadth of topics, faculty and arrangements were impressive. I regret missing the other days.

I had suggested 'Better medical writing', directed at dermatology residents and junior dermatologists, as the topic for my lecture as the highest number of manuscripts from abroad submitted to the IJDVL has consistently been from Iran (table attached), but with hindsight a clinical topic may have been more appropriate.

**Ameet Valia, MD, DVD, Hon. Dermatologist, Dept. of Dermatology, Mumbai Port Trust Hospital, Mumbai; Chairperson, IADVL Academy of Dermatology; Member, Editorial Advisory Board, Indian Journal of Dermatology, Venereology and Leprology (IJDVL); India**

Thank you so much for sending me the photos from a truly unforgettable meeting. After all the preliminary troubles I would like to congratulate you and the organizing committee on this successful meeting in April 2018. everybody to whom I spoke enjoyed the high level of the scientific sessions and the warm atmosphere to make us feel welcome throughout the congress, This was truly a very successful meeting and I admire the elegant way you handled the situation with the ISD. I felt that this meeting expressed very well the high standards of the host's level in science and the iran hospitality.

**Luitgard Wiest, MD**

Thanks so much for this photo and more so for hosting us. The photograph is a wonderful reminder of a fabulous - truly fabulous - visit to Iran. I would love to return in 2020! I hope my government decides to end (stupid) sanctions long before then!

**Steven R. Feldman, M.D., Ph.D. Department of Dermatology Wake Forest School of Medicine, USA**
